For Immediate Release

LOS ANGELES/EWORLDWIRE/Sep. 18, 2012 --- Producer/Director Erik Lundmark has won the 2012 CINE Golden Eagle Award for season one of "iKuztom: America's Sexiest Custom Bikes."

iKuztom's 13 half-hour episodes accelerate viewers into the real-life world of custom motorcycle building by getting up-close and personal with an elite group of builders on the cutting edge of motorcycle engineering. The artists' blood, sweat and passion is framed by comic sketches, beautiful models, and burning rubber in a visually stunning, fast-paced format. The show is produced by Leomark Studios in association with Grip Ace Industries.

This is iKuztom's third industry honor, following Awards of Merit for Reality Programming and Post Production in the 2012 Accolade Competition.

iKuztom continues Erik Lundmark's unbroken winning streak in motorsports content, following similar awards for his 2008's "Let's Riiide" and 2011's "Where Cars Don't Dare."

The CINE Golden Eagle Award has been recognized as a mark of excellence throughout the film and television industry for over 50 years.
