About Silverado Financial

Silverado Financial Inc. is a mortgage banking company focused on providing non-prime borrowers - individuals who generally do not satisfy the credit, documentation or other underwriting standards set by more traditional sources of mortgage credit - with access to capital for the purchase and refinancing of one-family to four-family residential properties. The company originates mortgage loans, which include fixed and adjustable-rate loans, for purposes, such as debt consolidation, refinancing, education, home improvement and real estate purchase. Silverado originates loans through large retail hubs. The company has two retail hubs in California, one of which is dedicated to the Hispanic/Latino community in the western United States, and one retail hub in Arizona. Silverado plans to create a total of eight retail hubs across the United States by the end of 2006.
