

BillMax Announces Alliance With E-onlinedata

For Immediate Release

FORT WORTH, Texas/EWORLDWIRE/April 29, 2005 --- BillMax today announced its alliance with e-onlinedata, the nation's leading internet merchant account provider.

"We are delighted to be working with e-onlinedata," said Bill Schoolfield, Vice President of BillMax. "e-onlinedata is a respected leader in merchant account processing for US based business. Their focus on providing real time processing to ISP's and Web Hosting Companies allows us to offer our business clients state of the art payment services and transaction security."

"We are very excited about our new relationship with BillMax," said John Waldron, Vice President of Sales and Marketing with e-onlinedata. "BillMax has chosen e-onlinedata as their preferred provider of real time credit card processing, and we are looking forward to working with their valued clients."
