

MICR Xerox 4500 Check Printer

Please Select

WILLIAMSVILLE, N.Y./EWORLDWIRE/Oct. 13, 2005 --- Printerm today announced the Secure MICR Solution for the new line of Xerox 4500 printers. With speed of 35ppm and plenty of security options, these versatile printers come complete with everything required for Secure MICR Check Printing.

Specialized MICR and general office printing is consolidated in this printer with exceptional performance. Its features include:

- Up to 150,000 pages per month duty cycle.
- 36 ppm races through long or multi-set print jobs.
- True 1200 dpi resolution at full engine speed for crisp text and beautifully detailed images.
- Edge-to-edge printing feature unique to Xerox Monochrome Phasers.
- 400 MHz RISC processor maintains engine speed even on large complex applications.
- Eight second first-page-out time means print jobs will be waiting in the tray.
- Windows font driver printer utility.
- Precise Positioning Technology with CheckRite 2005 Lite.

The printers come complete with MICR E13B/CMC-7 Flash Memory, ability to securely store signatures and logos via the Printerm Secure Font Box and Removable Security Flash Card, MICR Toner Cartridge, Gauge and Printerm's CheckRite 2005 Software.
