

Fertile Mind Products A Success At Parenting Australia EXPO

There is a lot of interest in Fertile Mind's versatile maternity range and Belly Bra, as well as delicious news about its Peggie Pop Drops.

For Immediate Release

SEAFORTH, Australia/EWORLDWIRE/June 22, 2006 --- Fertile Mind experienced trade show success at Sydney's Fox Studios last week with its presentation at the Parenting Australia Expo.

The company received many inquiries about its versatile maternity wear range, which includes 6WayDress, 6WayTop and 2WayPant. The Glamourmom Nursing Bra Tops and Tanks were also a big hit, especially with one woman had two and was looking for more.

Alicia from Ramsgate Beach, NSW, said the Belly Bra was, "The best investment I made in my pregnancy." Fertile Mind has more news for its customers, as they were able to pass on a price reduction in its pregnancy anti-nausea sweets Peggie Pop Drops. Now customers can enjoy the three flavours, tangerine, lemon and raspberry, for \$9.95 RRP.

Fertile Mind also announces that its ever popular Glamourmom Nursing Bras and Tanks range is expanding. Fertile Mind boast new styles and colours coming in May and June. The company states that they have a lot on the drawings boards and believes that this year will be very exciting for its customers.
