

ControlScan Certifies HeavensMusicShop.com As A Safe Shopping Site

In an effort to increase its Internet security, HeavensMusicShop.com, an online music shop featuring Christian music and products, today announced that it has become certified by ControlScan.

For Immediate Release

MARIETTA, Ga./EWORLDWIRE/June 22, 2006 --- As a measure to increase privacy and security and to prevent hackers and thieves from accessing sensitive information from its customers, HeavensMusicShop.com hired ControlScan and subscribed to the Corporate Secure Plan. Through its unique process, ControlScan will conduct security tests and audits of HeavensMusicShop.com and certify the site's security.

"Privacy and security are the main concerns of consumers," says ControlScan president and CEO Richard Stanton. "Consumers want to do business with companies who take privacy and security seriously. By passing the audits associated with the Corporate Secure Plan, HeavensMusicShop.com's visitors are reassured that this company is committed to protecting their personal and credit card information and providing a safe online shopping experience."

About HeavensMusicShop.com

A Christian retailer specializing in a wide variety of Christian Music and Christian DVD's. This site has Southern Gospel, Christian Traditional, Christian Contemporary, Christian Pop, Christian Rock, Christian Praise and Worship Music and Christian Jazz Music. In addition to Christian music and DVD's it has great prices and reasonable shipping.

About Corporate Secure Plan

ControlScan's security certifications are rapidly becoming the industry standard for privacy protection. The certificates assist in meeting the criteria for mandates in Europe, Japan, Canada, ISO and the United States. By using business plans unlike any other Internet security solution companies, ControlScan is able to custom protect companies and their consumers. As a business is put through the certification process, ControlScan is able to show the company where its weaknesses lie. If a company does not pass the test, ControlScan's experts work with the company to increase its security until it meets the standards. Therefore, customers who see ControlScan certifications on a Web site can shop with ease, knowing that the business is working towards ensuring consumer safety.
