

ControlScan Certifies AlpineAlarms.com As A Safe Shopping Site

In an effort to increase its Internet security, AlpineAlarms.com , the leading Internet supplier of alarms and alarm supplies, today announced that it has become certified by ControlScan.

For Immediate Release

ATLANTA/EWORLDWIRE/July 12, 2006 --- As a measure to increase privacy and security and to prevent hackers and thieves from accessing sensitive information from its customers, AlpineAlarms.com hired ControlScan and subscribed to the Corporate Plan. Through its unique process, ControlScan will conduct security tests and audits of AlpineAlarms.com and certify the site's security.

"Privacy and security are the main concerns of consumers," says ControlScan president and CEO Richard Stanton. "Consumers want to do business with companies who take privacy and security seriously. By passing the audits associated with the Corporate Secure Plan, AlpineAlarms.com's visitors are reassured that this company is committed to protecting their personal and credit card information and providing a safe online shopping experience."

About ControlScan

ControlScan provides third party verification and services to identify, measure and prioritize security, privacy, quality, accessibility and compliance risks that exist on corporate Web properties. ControlScan's solutions provide the visibility and control necessary to evaluate a company's Web property risk exposure, and to put processes and procedures in place to effectively implement online governance strategies. For more information visit ControlScan or call, toll free, at 1-800-825-3301 x110.

About AlpineAlarms.com

AlpineAlarms.com has been in business since 1996 selling burglar alarm systems, parts, central station monitoring, tech supporting, consumers direct 24/7. AlpineAlarms.com is the only True 24/7 Internet only consumer direct, dedicated alarm company on the net today. AlpineAlarms.com handles over 300 manufactures and ships from 500 different locations across the United States. It never has and never will take an ADT restricted panel and remove the ADT sticker from it and fraudulently sell it to a consumer like most Internet alarm companies are doing today. AlpineAlarms.com equipment is factory direct latest versions. AlpineAlarms.com is the only company that gives a three year warranty up front exchange policy. With 30 years experience, AlpineAlarms.com is the real true choice for home, office, industrial, government burglar alarm sales, support, central station monitoring services today.

Its central station is even larger than ADT's, 7 UL Commercial Fire Rated, licensed in every state of the nation. So come to the one stop shop for all the security system sales, support, alarm monitoring services, and save money and installation and maintaining headaches from others.
