SEAFORTH, NSW/EWORLDWIRE/May 24, 2007 --- The maternity wear top - 6WayTop by Fertile Mind - can be worn more than six ways. The 6WayTop can be dressed up with the 2WayPant, or dressed down with jeans. Wearers enjoy the versatility of a maternity top that changes from a strapless evening look to a demure cap sleeve, or knotted into a sexy halterneck top. A babydoll style or twisted halterneck are two other great looks that are easily achieved. The 6WayTop is an investment piece that is wash and wear and travels beautifully. Enjoy dressing up, as the tops are available in black and chocolate. Sizes Small, Medium, Curvy and Voluptuous. See all the different way to wear the 6WayTop & 6WayDress on the Fertile Mind Web site at <http://www.fertilemind.com/maternity-wear>.

For those who want to look their best but like to be comfortable comes the 2WayPant by Fertile Mind. These are possibly the most comfortable and flattering maternity pants on the market. The 2WayPants are superbly designed to skim and not cling to curves. Wide legs with a slight bootleg finish at the calf. They can be worn up under the arms for a smooth silhouette or folded down for a hip-hugging modern look and anywhere in between. No side seams ensure a smooth finish. Team with the 6WayTop and enjoy the glamorous, figure-flattering result. Available in black and chocolate. Sizes Small, Medium, Curvy and Voluptuous.
