

Online Ph.D. Program Can Be Searched for in the New Doctorate-Degree-PhD Directory

Doctorate-Degree-PhD-Directory.com Now Offers An Easy Way To Search For Ph.D. Programs

For Immediate Release

NEW YORK/EWORLDWIRE/May 25, 2007 --- Doctorate-Degree-PhD-Directory.com takes the work out of searching for the perfect doctorate degree program.

Online degrees were once something students didn't think twice about obtaining - the degrees conferred were not looked upon as being legitimate. However, for the past few years, colleges have worked hard to develop online degree programs that are challenging. These programs have gained the respect of the academic community, making the online degree one of the most sought after avenues of education in the world.

The beauty of pursuing a degree online lies in its convenience. Chances are when students are pursuing a doctorate, they are already working in their field of study, full-time, and finding the time to attend traditional college classes can be a challenge. In fact, the challenge is significant enough that many students will not follow through with their desire to obtain a Ph.D. Thus, online degree programs can allow these frustrated students to gain their degree, with convenience.

At Doctorate-Degree-PhD-Directory.com, prospective students can save time and energy by researching the best online degree programs in their specific field. The experts at Doctorate Degree PhD Directory have reviewed the many online degree programs and have selected the most prominent and respected programs for the online list.

Visitors to Doctorate-Degree-PhD-Directory.com can browse through various online degree offerings by subject or topic, or by specific school. The site is easily accessed and contains information that prospective students will find quite valuable.
