NewsBlaze Announces Crossfire War is Back

Willard Payne's Nightwatch analysis of international events on the Eurasian continent

For Immediate Release

FOLSOM, Calif./EWORLDWIRE/June 26, 2007 --- For the past three years, NewsBlaze has published the analysis work of Willard Payne from his Nightwatch Information Service.

After a short break, Willard Payne's cutting analysis of world events affecting Eurasia is back.

The coverage includes analysis on Tehran, al-Qaida, Lebanon, Palestine, Israel and other players in the Middle East, especially the interaction between the Jihad and those who reject it.

Payne's articles noted, well before other analysts and the mainstream media, that Iran was fomenting trouble in neighboring countries, for its own ends.

Each month, many of Payne's articles hit the list of most popular stories, including the fourth most-popular this month so far, an article written almost a year ago - '<http://newsblaze.com/mostread.html>'.
