For Immediate Release

KILLINGWORTH, Conn./EWORLDWIRE/Nov. 7, 2007 --- For the 25th year in a row Zymol products have graced the sleek and sparkling bodies of the serious, enthusiastic members of the BMW Car Club of America.

According to Charles Bennett, Zymol CEO, this year was no exception to the Zymol tradition, with Zymol winning entries in all 15 classes.

"We plan to continue to provide BMWCCA members with full technical support in the form of a Zymol clinic at the BMW Oktoberfest," says Bennett with a sparkle in his eye that is only rivaled by the sparkle of the winning cars at the BMWCCA Oktoberfest. "The BMW Oktoberfest and Concours is the opportunity for all to see the best-loved automobiles in the world."
