BERKELEY HEIGHTS, N.J./EWorldWire/Feb. 6, 2008 --- To support U.S. troops and military families in need, ShipToTroops.com ('<http://www.ShipToTroops.com>') is making it easy to shop and save with online merchants that ship to APO/FPO addresses, and to fortify non-profit Operation Homefront. The cause-focused ShipToTroops.com Web site operators, Shawn Collins and Missy Ward, recognized that painless giving, made easy and convenient, allows everyone to participate and make a tangible difference in the world. A portion of each online purchase at ShipToTroops.com is donated to Operation Homefront - an organization which provides emergency assistance and morale to servicemen and women, to the families they leave behind, and to wounded warriors when they return home.

Operation Homefront is one of a select few charities privileged to operate under a Memorandum of Understanding (MOU) presented by the Department of Defense and has received a 4-Star rating of Excellence with CharityNavigator.com.

ShipToTroops.com ('<http://www.ShipToTroops.com>') will give 20 percent of all commissions received to Operation Homefront, automatically, at no extra costs to shoppers. "Brand name stores that ship to APO/FPO addresses provide everyone with the means to shop online and save, while meeting other charitable aims," said Ward. "In fact, with hundreds of discount offers available at ShipToTroops.com, users are bound to save a bundle."

Retailers available via ShipToTroops.com include the Apple Store, Barnes & Noble, Bass Pro, Circuit City, Discovery Store, Foot Locker, GNC, KBtoys.com, and RitzCamera.com.
