

## **ZARZAR LAND Continues Its Dominant Position As The World's Most Visited Land Auction Website**

For Immediate Release

SAN DIEGO/EWORLDWIRE/March 26, 2008 --- ZARZAR LAND's traffic ranking has changed dramatically over the span of only a few short months. As of March, 2008, ZARZAR LAND's traffic ranking is now a staggering 4,370 out of over 100 million Websites worldwide. This new number is an incredible feat compared to its December, 2007, ranking of 8,639.

ZARZAR LAND's progress can be contributed to its unique expertise in the field of online auction real estate. The ZARZAR LAND Website has a wide variety of listings at any given time, providing customers with an array of different properties to choose from. "We pride ourselves on being consistently up-to-date with our property listings, as well as giving variety to our customers who are so diverse themselves. In short, we believe we have something for everyone," said Danielle Delouche, assistant vice president of marketing and public relations.

Also noteworthy, ZARZAR LAND is ranked as the world's number one most visited real estate land auction Website according to Ranking.com. ZARZAR LAND has risen to the top in its field, establishing itself as a leading competitor in the real estate market and continues to dominate in its industry.

### **About ZARZAR LAND**

ZARZAR LAND was founded in December of 1998 with the simple mission of providing quality real estate to millions of individuals throughout the world who had the desire to acquire real estate but did not have the financial means or expertise. ZARZAR LAND is one of the most prestigious land groups of its kind and works closely with various government agencies and institutions in order to acquire thousands of properties throughout the United States. ZARZAR LAND's United States headquarters are in beautiful San Diego, Southern California. Learn more at '<http://www.zarzar.com>'.
