For Immediate Release

BEVERLY HILLS, Calif./EWorldWire/May 29, 2008 --- As part of a worldwide program to unify and support all detailers and Valeters, Zymöl announced its newest Licensed Detailer in the United States.

Vasilios Kitas of Massachusetts will be the next licensed detailer to carry the Zymöl ethic and banner, and provide Zymöl Factory trained service.

Kitas has been immersed in the luxury car scene his entire life. His father, a master mechanic for Rolls Royce, taught Kitas the slow and watchful mind-set of caring for the world's great marques. After years of working with every conceivable product, Kitas pursued a partnership with Zymöl for his services to his affluent car community.

As the owner of Vasilios' Automotive, Kitas has been trained at Zymöl's elite Beverly Hills Studio in California with Zymöl Professional Products that are only available to Zymöl Licensed Detailers. Vasilios' Automotive will be added to Zymöl's online locator so owners who want the very best Zymöl treatment can seek him out to perform the work.
