For Immediate Release

CERRITOS, Calif./EWorldWire/June 4, 2008 --- Based on an overwhelmingly positive response, Sun West Mortgage Company has added several Web-based seminars to its already comprehensive FHA and reverse mortgage training series. The release of these new tutorials continues to reflect Sun West's dedication to providing unbiased and thorough education to mortgage industry professionals.

The new training sessions cover:

All of Sun West's webinars are conducted live and are completely interactive. Attendees can communicate with the presenter in real-time, having their questions answered during the session. "The online seminars are detailed and thorough, yet presented in a way that everyone can follow," says Wilfredo Martinez, a mortgage professional with 16 years experience in the industry. "These sessions will prove informative, regardless of whether you are just entering the mortgage industry or are a veteran looking to polish your skills."
