

Make-A-Wish Foundation Featured At BMEGateway 14th Annual Charity Golf Tournament

For Immediate Release

WOBURN, Mass./EWORLDWIRE/July 25, 2008 --- For the fourteenth year in a row Make-A-Wish has been selected by BMEGateway - the national leader in independent evaluative services as the primary charity for the BMEGateway annual golf tournament.

Over 100 insurance executives teed off under sunny skies at the beautiful Hopkinton Country Club, a private 18-hole, par 71-championship golf course in pastoral Hopkinton, Mass. in support of the BMEGateway Charitable Foundation.

Former New England Patriots All-Pro tight-end Ben Coates took his position on the greens as he has for 13 of 14 years. The event was a happy homecoming for the South Carolina native who has celebrated recent induction into the New England Patriots Hall of Fame.

John C. Addonizio, BMEGateway CEO, noted that year after year the tournament has served to help special people achieve happiness during difficult times. He remarked that "the Make-A-Wish recipients are always very grateful, but the donors are equally grateful and often thankful to help."

"Every year, I look forward to receiving the thank you note from Make-A-Wish that tells us where our donation was directed, the background of the child, their family and most of all the beautiful experience they had. You get a great sense of joy knowing that you helped a terminally ill child have a special moment they truly cherish. In your heart you realize how fortunate you are to have God's blessings of health and to have the Make-A-Wish affiliation."

BMEGateway is a management services organization established in 1990 to provide legal, insurance, business and other entities direct access to multi-specialty examiners and reviewers with expertise in conducting independent medical examinations, peer review, medical bill review and case management services.
