

McBidz Squawks For Buffet Parrotheads

For Immediate Release

MOUNT PLEASANT, S.C./EWORLDWIRE/Nov. 18, 2008 --- The largest mega site on the Internet 'http://www.McBidz.com', which contains all of the most popular activities performed on the Web, is in the process of launching to the public and its President/CEO Charles McCracken wants all Jimmy Buffet "Parrotheads" to come join its members - affectionately called, "McBidzers."

McCracken, a lifelong Jimmy Buffet fan, wants to bring the ParrotHeads and McBidzers together when the site launches in the coming months in the spirit of fun and friendship the McBidz site strives for among its members. In development for almost a year now, McBidz contains activities for video-sharing "McVidz," Business, Jobs, Wanted, Auctions, Classifieds, Autos, Real Estate, Greeting Cards, Dating, Classmates, Photo Album, and social network "McBidzers."

"We want McBidz to be the kind of place you go not only to buy/sell merchandise but where you can jump into our social network, McBidzers, and have fun while you are doing business, watching videos, or sending greeting cards to your friends and family," said McCracken. "McBidz was built from the ground up to serve the needs of accomplishing all task performed on the internet in one place without having to leave the site - while providing fun outlets such as social network, videos, greeting cards, and a dating site to further promote its 'We Make Selling Fun' motto. Our McBidzers and the Parrotheads are a natural social group - what better place to interact than McBidz, the one site on the Internet where you can accomplish your task, have fun, and interact while drinking that Margarita?"

The McBidz site is gearing up to launch in the near future and updates about the progress can be found on the McBidz President/CEO blog located at 'http://www.charlesfmccracken.com'.
