

Aishti Magazine Affirms HAND in HAND Custom Jewelry Design as One of the Most Dazzling Independent Jewelers

For Immediate Release

SAN FRANCISCO/EWORLDWIRE/June 26, 2009 --- HAND in HAND custom jewelry design was recognized as one of the most dazzling independent jewelers in San Francisco by Aishti Magazine.

Aishti Magazine is a Middle-Eastern luxury fashion, entertainment and design publication. It featured HAND in HAND custom jewelry design in the June/July issue for the designers' top-quality, personally-inspired, one-of-a-kind fine jewelry designs as being one of the best in the city by the Bay.

"It's a tremendous honor to be recognized by the international luxury community for the truly stunning, exclusive and personally meaningful fine jewelry - and equally stellar and personalized customer experience we provide each and every HAND in HAND client," says Marc Stiglitz, owner and head designer of HAND in HAND. "To have achieved this level of notoriety within the first five years of founding HAND in HAND is truly a testament to the highly labor intensive, old-school approach we use when collaborating with our international clientele. I believe it's also one of the reasons people immediately recognize our work as being so visually and emotionally special."
