

GreenBrilliance Expands Its Solar Business With New Partnership in Western Europe

Signs module supply contract in Belgium

For Immediate Release

HERNDON, Va./EWorldWire/July 30, 2009 --- GreenBrilliance Holdings LLC announces that GreenBrilliance Energy Private Limited (Vadodara, India) (<http://www.greenbrilliance.com>) has entered into a contract with Angelus BVBA of Ziebrugge, Belgium, to supply crystalline solar modules in 2009 to projects in Belgium, The Netherlands and France.

Under the contract, the first purchase order is projected to be for the supply of 200 modules (IEC/CE/TUV-certified) of 260 Wp (watt-peak) each to be delivered in August 2009. Subsequent orders are in planning.

In addition, with this contract, GreenBrilliance appoints Angelus as its sole representative in Belgium, The Netherlands, and northern France. Angelus partners with large industries and commercial establishments to build solar plants for consumption of power by the owner as well as for supplying to the grid, taking advantage of the region's feed-in tariff program.

"We are excited with this new partnership," said Mr. Sanjay Chandra, President, GreenBrilliance. "It opens new markets for us in Belgium and The Netherlands. We hope that this will be a long-term relationship between the two companies."

"We are very happy to sign the contract with GreenBrilliance as a stable partner for our projects in Belgium, The Netherlands, and northern France, and we hope that this partnership will be favorable for both companies," said Ms. Helena Verhaeghe, President of Angelus BVBA.

About GreenBrilliance (<http://www.greenbrilliance.com>)

GreenBrilliance Energy Pvt. Ltd. (Vadodara, India) is the manufacturing arm of the global company, producing world-class, efficient crystalline solar modules for use in solar energy systems. The company's product line is comprised of large-size modules (72 cells, 60 cells, and 54 cells) and ranging from 185 Wp to 270 Wp.

GreenBrilliance LLC, based in the Washington, D.C. area, provides turnkey solar solutions for residential and commercial customers, with services including assessment, design, installation, maintenance and service.
