Roster of Versatile Films and Planned Projects

Media Advisory

GAINESVILLE, Fla./EWorldWire/May 7, 2015 --- During the 68th International Film Festival Du Cannes, Versatile Films are being introduced to the Market by The Versatile Group of Hollywood.

According to Marisela D'Baldrice, CEO and producer of The Versatile Group of Hollywood, which is celebrating its 10-year anniversary, the roster of Versatile Film projects that will be available are listed at <http://www.cinando.com/theversatilegroupofhollywood>.

"Latas Vacias (Empty Cans)"

Among Versatile titles is a recently completed film - the first produced in Coronel Oviedo, Paraguay, in decades - which has won several awards including best picture at the 23rd International Film Festival of Paraguay. The film was directed by Herib Godoy and produced in association with O.N.G. Sociedad Cultural and Miguel Kavi Rodriguez in their native language of Guarani, with English and Spanish subtitles.

The film's supernatural realism revolves around the country's legend of buried treasures of the War of the Triple Alliance. It is one man's fate to find again what he lost, after he is struck by tragedy and forced to flee the field and its painful past, to take refuge in the city of Coronel Oviedo, where he survives in the recycling landfills.

About Versatile Films in Development

The Versatile Group will introduce a range of Versatile Films in various stages of development. Each are extensive multimedia entertainment franchises comprised of films, books / e-books, games and apps, and several with TV and comic series, along with a new media operating system and complete topical theme parks.

The Epic Adventures of Breezy and the Tales of the Magic Dropper

Written by author Efen Santana and owned by the Khefren Group LLC (Edward Hernandez, COO) (<http://www.khefrenproductions.com/marketing-book>): A literary property, conveying the never-ending tales of time as witnessed by a majestic deity named Breezy - the personification of the breeze that never ages past 11. Breezy was assigned to the planet to protect the cultural development of the human race for all times.

The Universe of MEND

MEH Multimedia (<https://menduniversebuzz.wordpress.com>, <https://youtu.be/4iJSUwEyBmc>): An adventure/mystery thriller in the making, MEND is a technology revealed in the Master Epic, The Spell of Vaugirard, from creator and composer Mardi-Ellen Hill. The narrative depicts the powerful Barrington dynasty

which uses the MEND Technology to fight each other for control of mankind's future via its own operating system, utilizing music algorithms to encode and decode messages worldwide.

AEGEA

(Keith Duffy, President) (<http://www.aegea.com>) A planned 24,000-acre real, sustainable energy efficient, entertainment living destination in Florida, inspired by a 5,000-year-old lost civilization. A major motion picture studio housed and branded on-site is planned, and a film about the making of both the lost civilization that disappeared into the depth of the sea and the making of the new society, returning in 2018.
