

Sitestar Holds Shareholder Meeting September 29

For Immediate Release

LYNCHBURG, Va./EWorldWire/Sep. 27, 2004 --- Internet Service Provider Sitestar Corporation (OTCBB: SYTE) today announced that the company will be holding a shareholders meeting on Wednesday, September 29 at 8:30 p.m. EST. This meeting will be available via a chat session through their corporate website at <http://www.sitestar.com>.

"This shareholder chat meeting is our second bi-annual meeting this year. Shareholder chat meetings are more efficient than regular meetings because more of our shareholders are able to attend," said Frank Erhartic Jr., Sitestar's president and CEO. "The format will start with a brief summary and follow with an open question and answer session."

Shareholders, potential investors, media firms and other interested parties may participate in the chat meeting by first registering for this event at Sitestar's corporate website (<http://www.sitestar.com>). Those who participated in our last chat session do not need to register again. Participants may also suggest topics for discussion. On the day of the event, registered parties will be e-mailed more information on the meeting, including how to join in the online discussion.
