

Finally Perfect Fit Undies for Pregnancy From Fertile Mind

Pop Maternity Undies, Glamourmom Extra Long Breastfeeding Bra Tank and Ginger Bears are just some of the wonderful products available from Fertile Mind.

For Immediate Release

SEAFORTH, NSW/EWORLDWIRE/Aug. 31, 2007 --- The discovery of Pop Maternity Undies has been a huge hit with all the female staff members at Fertile Mind, and they're sure others love them, too.

Christine Kininmonth, the company director, commented that at a recent baby expo, one customer came two days in a row to buy more of them. It is now possible to enjoy true comfort from wearing something so well designed for pregnancy.

Another popular item on the market is the Glamourmom Nursing Extra Long Tanks which almost sold out within 24 hours to stockists around Australia.

Newly pregnant women should keep a bag of Ginger Bears jubes in the glovebox and another in the handbag, and they're on the way to warding off travel and morning sickness. Safe for kids and gluten free, gummy bears contain fresh ginger which is clinically proven to help alleviate any kind of nausea.
