For Immediate Release

SAN FRANCISCO/EWORLDWIRE/June 27, 2008 --- HAND in HAND custom jewelry design has been voted the Bay Area's "Best Kept Secret" by San Francisco Magazine. The achievement marks the second year in a row that HAND in HAND custom jewelry design was recognized by the readers of San Francisco Magazine. The announcement was made at the 8th Annual San Francisco Magazine "Best of the Bay Area" party and fundraiser held on June 26.

"Needless to say, we are incredibly thrilled and excited, yet completely humbled by this amazing honor," says Kim Stiglitz, director of marketing, HAND in HAND. "We are so grateful to all our family, friends, clients and the readers of San Francisco Magazine who took the time to vote for HAND in HAND."

"Being voted 'Best of the Bay' by the readers of San Francisco Magazine two years in a row tells us that people share our core belief that for most of us, fine jewelry purchases usually go HAND in HAND with commemorating life's most special celebrations and milestones," says Marc Stiglitz, HAND in HAND's founder and head designer. "Especially when creating heirloom pieces designed to capture these once-in-a-lifetime experiences, it's that much more important to push the boundaries of creativity and craft personally inspired, one-of-a-kind designs that will never be replicated again."
